

Aviation

The Isle of Man Aircraft Registry was established to provide a customer focused service for the registration of high quality private and corporate jets and high quality turbine-engine helicopters.

As the only dedicated corporate aircraft register in Europe, the Registry offers high international standards and a competitive scheme of charges. The Registry currently has 16 authorised Airworthiness Surveyors resident in Switzerland, USA, UK and the Isle of Man. The Registry has more than 400 aircrafts on its books.

The Isle of Man offers:

..we believe a
pleasure aircraft
should be precisely
that.

- High quality service levels and a quality international reputation;
- High regulatory standards;
- Neutral Nationality registration prefix;
- Secure mortgage register;
- No insurance premium tax (6% in UK);
- European time zone;
- A Standard & Poor's and Moody's AAA rated jurisdiction;
- Professional infrastructure with experience in aviation finance;
- Favourable tax regime - zero corporate tax;
- Stable legal and political environment;
- Zero rate corporate tax;
- Competitive cost structure.

Here at Mann Made Group, we believe a pleasure aircraft should be precisely that. We strive to identify our client's needs, and to take on as much of the administration as we can so our client can enjoy their investment. Our international wealth management background means that we know the value and convenience of private and corporate aviation.

Our company is highly satisfied with the services offered by Mann Made and strongly recommends cooperating with Mann Made to any company or organisation."

Paul A Archer, CEO – S.A.R.L. Arrow Services Monaco

The concept of our aircraft services is similar to our yacht services. We have a dedicated team of professional administrators to provide registration and day-to-day management services. We pride ourselves on being able to offer a fully bespoke aircraft management and registration service, which is complemented by our usual high-quality trust and company administration services.

Mann Made provides a wide range of services including:

- Essential tax-efficient structuring of a bespoke aircraft ownership package;
- Application for registration on Isle of Man, Malta and other jurisdictions (if required);
- Tax planning & legal services;
- Provision of professional directors for the structure;
- Provision of professional administrators for the structure;
- Liaison with the relevant aviation authorities;
- Assisting with finance and mortgage arrangements;
- Incorporation of a company in a choice of jurisdictions, including the provision of all supporting administration services necessary for the management of the company;
- Preparation of charter contracts;
- Crew Payroll administration;
- Accounting.

Our friendly team will assist you with any queries from small to complex.
