

E-Gaming

A dynamic, growing industry needs dynamic, experienced partners in a well regulated jurisdiction chosen by many of the sectors most influential players. Welcome to the Isle of Man, and your business partner of choice, Mann Made Group.

total corporate and
tax solutions for the
e-gaming industry.

In such a fast paced environment, both new and existing e-gaming organisations need a business partner that is not just responsive but one that is at the very forefront of developing innovative corporate and tax solutions, across many platforms and in all existing and developing jurisdictions.

We are that business. We create the support structure and financial solutions to enable your business to flourish within one of the world's most respected e-gaming jurisdictions, the Isle of Man. Our offering, although tailored specifically for every businesses unique requirements, includes:

- Assistance in obtaining an Isle of Man gaming license from the Isle of Man Gambling Supervision Commission (GSC).
- Structuring to maximise tax efficiency
- VAT structuring and compliance
- Incorporation, management and administration of the Manx company
- Provision of professional directors
- Compliance support to meet licensing requirements of GSC
- Banking services
- Accountancy services and bookkeeping
- Registered office facilities
- Fiduciary services
- Open door introductions to:
 - Relevant Government departments
 - Key local influencers
 - Industry leading data centres
 - Technology partners

Our specialist e-gaming team provide you with far more than just our technical expertise. If you do choose the Isle of Man, you may also require more personal levels of support – housing, education, health care – and of course, personal taxation planning to ensure you enjoy the maximum benefit of your offshore status. These are just some of the additional benefits you and your business will enjoy when you choose Mann Made Group as your business partner.

Wherever you are based, our international expertise helps you enjoy the maximum benefit of your jurisdictions' legislative outlook. As experts in international tax efficiencies and corporate structuring, we believe you will not find a more dynamic nor more personable team to take with you and help your e-gaming business flourish.

Of course, we believe the Isle of Man should be considered in your location deliberations, here's why:
